

# 2019 ANNUAL REPORT

Once again in 2019 we saw so many evidences of God's grace. Whether it was the \$100,000 given away to various local and global mission and benevolent needs, the 5 people training for vocational ministry, the 1398 people in attendance at Christmas Eve services, the 11 baptisms, 16 new members or celebrating the 1st anniversary of SCC Chase, we are truly humbled and grateful that God would choose to use our church in these ways. We're filled with anticipation for what God may choose to do in, through, and around us in 2020!

*For more detailed information about the business of the church, including financial statements, please consult the SCC Members' Information Package*

Average weekly attendance increased by 9% in the last 12 weeks of 2019.

## INTRODUCING: REDEMPTION COUNSELING

Our mission is to serve local churches and our communities by providing Gospel-centered, clinically-informed, church-connected, community-renewing counseling, equipping, & consulting.

Our desire is to be known as a strategic center of care & training for churches, leaders, families in Canada declaring and demonstrating the gospel of Jesus Christ that transforms. Our story is just beginning but we are excited about what God has planned!

The new building which houses both Redemption Counseling and SCC offices, was completed on-time and under-budget. Many thanks to donors who give generously to the OVERFLOW fund.

**WE EXIST TO DECLARE AND DEMONSTRATE THE TRANSFORMING POWER OF THE GOSPEL.**
