

2024 Student Body

Greetings from Mexico

We are in week 12 and the students are pressing on to finish well. There is a possibility that we will be losing four very important staff and would appreciate your prayers for the staff and teachers we will need for the school session next year.

I am back in the kitchen, but am the "helper". I am doing most of the grocery shopping and hope to be more involved next year.

As you know this has been and continues to be a very hard year with losing Howard even though we know he is in the best place. God was merciful in taking him to his new home where he is healed. I'm finding that my house is a bit much for me having to do all that Howard did although at this point I do have help.

Denver and Katie have to go to Canada for 6 months for their DOR. The Canadian government requires Canadian citizens to live in Canada for 6 months every 5 years to maintain their status and pension. I will sure miss them, but am blessed to have Kyler, Hannah, and their kids here.

I am so very thankful God is providing my financial needs, thank you for your prayers most of all, and also for your financial support.

Numbers 6:24-26 - The Lord bless you and keep you; the Lord make his face to shine on you and be gracious to you; the Lord turn his face toward you and give you peace.

Blessings to you,
Susan Dyck
